

Call for Applications

Notre-Dame-des-Arts (NDA) is a community organization seeking to support 2-3 artistic projects in NDG with \$500-1000 each to help NDGers boost their spirits in the late winter/early spring months. NDA has \$2000 total to support these projects. The funding comes from a successful fundraiser in June to support arts in the community.

Project applications will be assessed by a Community Projects Committee (hyperlink to Committee documents on website) and recommended to the NDA Board. Applications will be assessed based on the criteria below. The application short and sweet given the small size of the funds. We hope this will be the first open call of many to support artistic projects in the community.

We welcome submissions from community artists and professional artists/collectives alike!

Application deadline is February 6th, 2017 Decisions will be announced by the end of February.
